EDITOR'S NOTE

It is not the purpose of this annual to make you spontaneously shout "Hooray for the Red, White and Blue"—or urge you to go out and spend your month's allowance on war bonds. It is not meant to propagandize. This book is intended to give a realistic view of campus life and its adaptations in war-time.

The book is necessarily curtailed, photographically particularly. There is a very apparent lack of film, processing paper *and* photographers.

We have an annual; that's the important thing. It is smaller and less detailed and the publication date is later than usual. But it is to help you remember the most revolutionary period in the University's history.

DEDICATION

★ ★ ★

"Enough is sufficient," they say.

It is then sufficient to say that the 1944 Horned Frog—picturing T. C. U. in war-time—is dedicated to Mrs. Katherine Moore Norton. Mrs. Norton, like the rest of us, has accepted the war and accepted, too, the additional work that it produces. She has added V-12 students to her classes; directed benefit plays; urged the Dramatic Club, which she sponsors, to do special things for the boys in the service; kept up numerous morales by writing letters to service men who are former pupils. She has done all these things despite the fact that "Joe," her husband, is overseas—and for the second time!

Enough!

War came to the T. C. U. campus, of course, just as it came to everything. While there are many perceptible changes around the University the metamorphosis was apparently smooth and practically effortless. The people behind the scenes know this to be false. They know how many traditions were broken, how much money was spent, the amount of time this transformation required, and the endless amount of work involved. They know because they planned these changes and are now carrying them out. These people are the faculty of Texas Christian University. They are the ones who make it possible for us to carry on at all during the war. They are the ones who will lead us back to a normal peace-time college and expansion program after the war.

The faculty too has undergone some changes. There are now six deans; some old faculty members have returned; others are on leaves of absence; the armed services have taken several. Despite all of this, the faculty is the least changed thing around. The faculty then is the principal link from the past to the future.

The following section presents T. C. U. faculty in War Time:

The conversion of a peace-time college into a war-time institution for training the Navy, Marines and civilians is the job President M. E. Sadler has accomplished in the last two years. He has done an excellent job in making the work between the civilians and military personnel so well coordinated.

Dr. Sadler, a man of wide experience and receiver of many honors, is now doing one of the biggest jobs of his career. He has received degrees from Altantic Christian College and Vanderbilt and Yale Universities. He won the Henry Allis scholarship award from Yale and was granted a Sterling fellowship, one of the highest academic awards given by Yale.

He did educational research in Japan for the Rockefeller Institute of Social and Religious Research. Among his many titles were dean of Lynchburg College in Virginia, director of leadership education of Christian Churches of Virginia, Maryland, Delaware and the District of Columbia and also director of the same program for all Christian Churches in the United States and Canada.

Dr. Sadler is away from the campus a great deal, always doing something to improve our war program or help such programs elsewhere. He is looked up to and respected by the students on the campus as a fine leader and competent director of the educational activities of the University.

The 1943 football season at Texas Christian University was Coach Dutch Meyer's tenth as head mentor of the Frogs—but instead of it being a glorious one, it proved to be his worst and the team finished in last place for the first time since 1924.

Already forced to have only an hour and a half to drill his squad each day, Coach Meyer was forced in the latter part of the season to put onto the field a team that had had little or no experience against teams that had not been hit by the war.

T. C. U.'s first team at the opening of the season was

good. This eleven won two of four games. The next team held its own in one game, but the last eleven could do little against Texas, Rice, or S. M. U. In fact, they only scored two touchdowns in these three games while the opposition was racking up 79 points.

Although the Frogs wound up in last place they placed two men on the all-conference team. Capt. Clyde Flowers was placed at one of the tackle posts and Billy Hale, the ex-Texas Tech boy, won the center post.

Jim Lucas, the fine quarterback from Pecos, left little to be desired.

CAPT. CLYDE
FLOWERS

The only letterman returning from 1942. Was selected on all-conference team. Mainstay in Frog line. Cap's best game of the year was against Texas. His play against the Longhorns was of all-American caliber.

★ ★ ★

★ ★ ★

BILL HALE

Although this big lad only played four games with the Frogs, that was enough for the sports experts to make him all-conference at the center spot. Terrific line backer, few plays got by him. Kept the chatter up always and top game was against Oklahoma A. & M.

BILL MARSHALL

Up from last year's Wog team, was considered as only fair at end as season started. But as the season progressed his play improved considerably. Transferred by the Navy after the Texas Tech game, which was his top game of the year. Time and again his number popped up as the defender making the tackle.

JIM LUCAS

To be only a freshman, this lad was sensational. He was the mainspring of the Frog organization and it was his passing, punting and running that kept the T. C. U. eleven from being run over by larger scores. He was one of the top ten men in total offensive play, and was named on the number two all-conference team.

NORMAN MORRILL

Better known as "Ears," played the guard spot. He, too, was lost after the Texas Tech game. A steady player, his weight was an important asset in the Frogs' offense and defense.

GAME BY GAME

T. C. U. — ARKANSAS

LITTLE ROCK, Ark., Oct. 2—Paced by their triple threat back, James Lucas, who twice brought the 10,000 fans to their feet with two runs for half the length of the field, the Horned Frogs roared to a 13 to 0 conference football victory over the University of Arkansas.

Both of Lucas' long runs came in the third period. On the first play after the kick-off, the little Frog quarterback tore through a hole over right tackle and was finally downed after threading his way for 50 yards on the Hogs' 9-yard line.

On third down, Doug Carter sliced over tackle for the touchdown.

Eight minutes later, the poker-faced kid struck again. Intercepting an Arkansas heave, Lucas cut to the sideline and behind beautiful blocking, raced 40 yards for the final tally. Frank Medanich, who missed the first conversion try, made good on his second attempt.

Except for those two quick runs, the game boiled down to a contest between the running game of the Frogs and the passing of the Porkers.

Lucas was ably assisted by two red-headed Frogs, Harry Gardner and Clyde Flowers. Both boys played stellar defensive ball.

T. C. U. — TEXAS A. & M.

FORT WORTH, Oct. 16—Unable to score on the ground, a youthful but smart bunch of Texas Aggies took to the air in Frog Stadium and rode in on the pitching arm of Jim Hallmark to down a punchless but stubborn Frog eleven, 13 to 0.

After battling to a scoreless first half, the Cadets came back after the intermission to score twice, quickly. A long aerial from Hallmark to Bob Butchofsky, that was good for 43 yards, accounted for the first score.

Seven minutes later, the Kiddie Korps tallied again. Marion Flanagan, triple threat back, took a screen pass from Hallmark, and behind good blocking plus some clever hip shaking, stepped 20 yards for the second counter. Stanley Turner converted after the first score, but his second attempt failed.

T. C. U. had only two scoring opportunities. In the second quarter Dick Smith recovered a fumble, but the home team in turn fumbled on first down. Again in the fourth quarter, Smith blocked and recovered a kick on the Maroon's 15-yard stripe. Two runs and two passes failed.

Only three passes were completed of 21 attempted and the Frogs were limited to 28 yards on the ground.

Starting line-up at the beginning of the season.

DICK SMITH

From the rival college down the river, S. M. U., proved to be one of the deadliest tacklers on the squad and was the fastest man we had. His play against Oklahoma A. & M., L. S. U., and Texas A. & M. was highly praised by the sports writers. Best remembered for his fine action against the Cadets when he blocked a kick and recovered a fumble.

GEORGE GARTNER

Great things were expected of this end at the start of the season for he had been one of the top stars on the 1942 Wog team. However, this great defensive wingman was lost to the squad after the Oklahoma A. & M. game when he was forced to quit football because of illness.

WALTER HARRISON

Another lad who came up from the Wog team. He, along with Flowers and Lucas, were the only members of the Frog squad to start every T. C. U. game. A very steady player, won the praise of everyone for action in the guard slot.

HARRY GARDNER

Expected to be one of the mainstays of the S. M. U. team during the 1943 season, but was transferred to T. C. U. Formerly a center, was converted into a fullback, and proved to be quite a star, especially as a linebacker. His defensive play in the A. & M. game was very good. Was lost when he graduated in November.

ARTHUR TEIXEIRA

Lettered as a backfield man last year at a California junior college. Transferred to T. C. U. by the Navy, proved a capable replacement for Lucas when the little fellow needed a rest. Left after the Tech game.

DON CULWELL

Little Don came to us in the V-12 unit from Texas University where he was prominent in intra-murals. He played half-back for the Frogs. Although he didn't letter his 145 lbs. were impressive.

OWEN LEASE

Hails from a junior college in California, had some big shoes to fill when Hale left in November. Was shifted to tackle on defense later on in the year when Flowers was placed in the linebacker role.

GRAHAM ROBERTS

Graham, better known as "Goon," was the biggest boy on the Frog squad. He weighs 220 lbs. This Gainesville boy lettered as a tackle.

T. C. U. — L. S. U.

BATON ROUGE, La., Oct. 30—Playing without the services of its first string end and fullback, the Frogs suffered its first defeat in the T. C. U.-L. S. U. relationship as they bowed 14 to 0.

T. C. U. was the dominant team in the first half, controlling the ball most of the time, but their threats in enemy territory were always halted short of the double-stripes.

The battling that the visitors took in the opening half showed up in the first series of play in which the Tigers had the ball. Led by the one man offensive of Steve Van Buren, L. S. U. marched 63 yards for a rally on 10 plays. Eight minutes later, the second team of the Tigers scored again.

Outstanding among the losers was Lucas. The Frog quarterback's brilliant passing and punting was thrilling throughout the game and kept T. C. U.'s hopes alive until the final gun.

T. C. U. — OKLAHOMA A. & M.

OKLAHOMA CITY, Oct. 23—Before 3,500 shivering fans, the T. C. U. football team cut loose with a versatile attack and trounced a hapless Oklahoma A. & M. eleven, 25 to 0.

The Frogs held command for three periods and then in the last quarter, fought off three attempts of the A. & M. team to score.

It was the first game in which the Frog passing game clicked smoothly. Although little Jim Lucas was the spearhead of the visitors' attack, he received a lot of assistance from fullback Doug Carter. Lucas and Carter scored twice each.

The line seemed to be impregnable. Sparked by Dick Smith and Billy Hale, they held the Aggies to a mere 63 yards rushing.

The Frogs climaxed a first period 46-yard march with Carter going over. In the second period, Coach Dutch Meyer's eleven scored twice, Lucas carrying over both times. A pass from Lucas to Carter accounted for the final tally in the third quarter.

Dutch shows Luke how it's done.

T. C. U. — TEXAS TECH

FORT WORTH, Nov. 6—A wild scoring spree in the fourth period by an aggregation of Raiders from Texas Tech, netted four touchdowns that proved to be more than enough to enable the South Plains visitors to down a hastily rebuilt T. C. U. eleven, 40 to 20.

For three quarters, a crowd of 5,000 watched the Frogs battle the previous winless Raiders on even terms. Then suddenly, Coach Dutch Meyer's "patched quilt" team collapsed. A combination of fumbles, miscues, and no defense paved the way for a minor upset by the Tech aggregation.

Tech took advantage of the wind in the first period to jump into a two touchdown lead. The Frogs, playing without the services of four regulars transferred by the Navy, retaliated in the second period and scored once. With the wind still at their backs, the home team tallied twice more in the third period and took what appeared to be a commanding lead.

Then the visitors broke loose. Capitalizing on two fumbles by Jim Lucas to score twice, plus two other touchdowns for good measure, Tech turned a close game into a runaway.

T. C. U. — TEXAS

AUSTIN, Tex., Nov. 13—After two consecutive years of Frog upsets, Coach Dana Bible and his Longhorn players got sweet revenge by trouncing an outmanned but fighting T. C. U. bunch, 46-7.

There was little doubt who would finally emerge the victors, but for three quarters, the little aggregation from Frogland held their own and battled the mighty Steers nip and tuck. At the start of the fourth period, Texas led by 20 to 7.

Then the roof fell in on the Frogs. A trio of intercepted passes plus a fresh bunch of Steers were too much for the tired T. C. U. players. The results were 26 points for Texas.

As the T. C. U. warriors took the field, everyone seemed to glance back to 1941 when on this same field, a small bunch of

DOUG CARTER

A transfer from Baylor, would have helped the ailing Frog club in the latter part of the season greatly if he had not been sent away by the Navy after the Oklahoma A. & M. game. His outstanding game was against the Oklahoma Aggies in which he scored two touchdowns and his pass snagging and running were little short of sensational.

SHIRLEY ANDERSON

A freshman weighing but 150 lbs. proved to be one of the better defensive men when he took over the guard slot when the regular guard was lost. Continually sticking his nose into the enemy backfield and only his weight kept him from being tops as a guard.

JAMES McGEHEE

Lettered at end last year at McMurray College. Was moved into first string position when both of regular wingmen were lost by the squad. A very steady, capable player, good pass receiver.

QUENTIN LAWRENCE

Another transfer from Baylor with no previous college football experience. A member of the Baylor track team last year and a dash man, his speed caught Dutch's eye. Lost by the Frogs after the Tech game. Best remembered for his play against L. S. U.

Part of what made the Frog Eleven tick.

Frogs did the highly impossible and defeated a mighty Longhorn eleven.

It seemed as if this were the same bunch of Frogs, for the visitors did the unbelievable. They knocked the props out from under the heavily favored Texas team counting in the first quarter and became the first conference team to score on the Longhorn eleven.

The Steers came back twice in the second period and once in the third period. The Frogs then threw caution to the wind, beginning to pass from behind and near their own goal. The results were four touchdowns for the Longhorns.

BILL GAFFNEY

From S. M. U., he was used as a substitute at guard. Was lost when transferred by the Navy after Tech game. Was one of the better defensive players on the team.

★ ★ ★

KENDALL BOND

Little was heard of this small lad until the middle of the season when he took over the regular fullback post. Was a hard runner and a deadly tackler. Weight kept him from being better.

★ ★ ★

T. C. U. — RICE

FORT WORTH, Nov. 20—The fourth period jinx struck the Frogs again for the third time within as many weeks. This time it was the forward pass that boomeranged against its old master, T. C. U. In their own stadium, the Frogs bowed before the Rice Owls, 13 to 6.

In the last period with the score standing at 6 and 6, the Owls' 145-pounder midget back, Bill Scruggs, intercepted one of Jim Lucas' passes. He was finally brought down on the Frog 10-yard line after a 73-yard run.

The Owl attack bogged down here, but after an exchange of punts, they roared back to score in five plays, Bucky Sheffield going over from the Frog 3.

The game itself presented two of the longest runs of the season. One was Scruggs' run. The other was when Lucas returned a punt through the entire Rice team for T. C. U.'s only touchdown in the second quarter.

The first visitor touchdown drive began at midfield. After an interception, Rice opened up with a surprise aerial attack and in four passes were on the Frog 4. Scruggs carried the ball over from there.

★ ★ ★

T. C. U. — S. M. U.

FORT WORTH, Nov. 27—The Frogs brought to a close their most dismal football season in 20 years, suffering a 20 to 0 defeat at the hands of the Southern Methodist Mustangs.

Men from three branches of the services—Army, Navy, and Marines—combined, playing under the Purple and White banner could do nothing in the way of stopping a scrapping bunch of Mustangs.

Not even the fact that the game was the annual Homecoming affair nor that they were playing their traditional down the river rivals could seem to give the T. C. U. players extra incentive powers.

The spectators were not the only ones who had a sad day. Besides being unable to stop the Mustangs, T. C. U. could do nothing offensively. Only twice during the afternoon were the Christians able to drive within the Ponies' 40.

T. C. U. played without the services of both their main-springs, Jim Lucas and Capt. Clyde Flowers. Royal James, the scat tailback, made a game attempt to carry on for the injured Lucas. But with the inexperienced Frogs, James was entirely dependent upon his own to make any yards.

Coach Hub McQuillan, the Frogs' cagy coach, did the impossible this year. With only one returning letterman, Coach McQuillan took an inexperienced squad and built them into a team that finished with a rush to end in a tie with Texas and S. M. U. for third place in the Southwest Conference.

There was little doubt at the end of the season that if there had been a play-off for third place between the three teams, of which five would have won—T. C. U.

The Frogs got off to a slow start and lost five of their first six games. Then they seemed to hit their stride and rode down the stretch to victory in all but one of their remaining six games—that against one of the co-title holders, Rice.

Had T. C. U. opened against some foe besides Arkansas, which was the other co-holder of the championship, the story of the Frogs might have been different. In each of their first half season games, the Purple players would start fast and were usually well in the game until the stretch. Then they would seem to fade fast and were easy victims for the opponents.

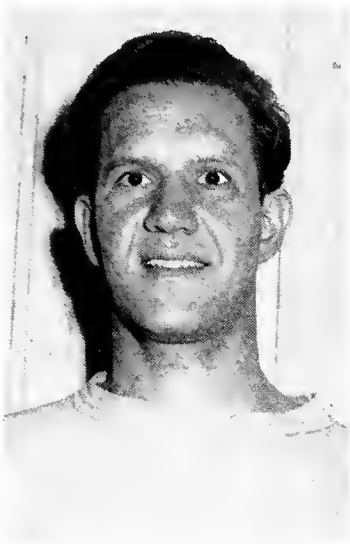

The squad was composed of six Navy men, five civilians. Besides Chronister, only two of the men had had real basketball experience before. All the remainder had only intramural or high school background.

Stuart Allen and Neill McFarland were the cagers who had had previous college experience. Allen came to T. C. U. by way of the Navy V-12 from Oklahoma A. & M. McFarland, also a V-12er, was a transfer from S. M. U.

The starting five was usually composed of Joe Wick, Jack Helm, Bruce Johnson, Allen and Chronister. McFarland and Joe Smith were used as substitutes very freely. The other members of the squad were Jack Vaughn, Lyman Sperry, Enoch Biggers, Kendall Bond and "Sonny" West.

BRYSON CLUB

A revolutionary change came over the Bryson Club this year. For the first time in its history since it was organized by the late Walter E. Bryson, the club members are all female.

In accordance with its purpose to further acquaint dormitory and town students, the membership was equally divided between the two.

One of the main functions of the club this year was to keep up the service men's morale—ex-members in the

service and others. Some of their methods were writing letters to the old members, taking magazines to the hospitals, buying war bonds. And in the spring a dinner dance was given at the Cadet Club for the Hicks Field cadets.

Two picnics were held during the year and many regular meetings.

The club has had three presidents this year: Elizabeth Epperson, Ruth Ball, and Barbara Bundock.

Membership in the club for future newspaper men and women on the T. C. U. campus is not limited to just journalism students, that is the majors and minors in their sophomore year, but freshmen interested in journalism are welcome.

The Dana Press Club was organized on the campus in 1928 for the express purpose of bringing together those students on the campus who plan to make the Fourth Estate their life work.

Prof. J. Willard Ridings, faculty sponsor, and Mrs. Ridings gave a buffet supper for the members in July. In August, the club had a picnic and elected new officers.

In the fall, there was a weiner roast in the park. Just before the Christmas holidays, the members were given a spaghetti dinner by Prof. and Mrs. Ridings. The members had a Christmas tree and later gave the presents to the Salvation Army.

A picnic was held in the park again in the spring.

NINA ELLIOT

The Dramatic Club was organized on the T. C. U. campus in 1910 for the purpose of giving those students interested in dramatic work experience on the stage and in directing plays.

The club began its season with the production of the three-act play "Death Takes a Holiday," in September. Next month came the Freshman-Sophomore Play Contest. "Happy Journey," the freshman offering, directed by Ann Barham, was defeated by the sophomore play, "Of Time and the Blizzard," directed by Doris Mahon. Hannah Groginski and Bob Matheny won first acting awards. Betty Jo Gamble and Ellis Roberts placed second.

The club acted as "supers" in 18 performances of the Passion Play.

Ranch Week was sponsored by the club in February. The high lights of the week were a dance, a barbecue, western contests and a "Cowtown Cabaret." The "Cabaret" was carried to Camp Wolters, the U. S. Public Health Hospital, Camp Howze, and to Pioneer Palace for the Guardettes.

Members of the club again became "supers" in March for the San Carlo Opera Company's "Aida" and "Faust." "The Silver Cord" and "My Sister Eileen" were other three-act plays produced by the organization. Mrs. Katherine Moore Norton, sponsor of the club, directed both these plays.

★ ★ ★

OFFICERS

President AUDREY H. NAAS
Vice-President ELIZABETH DUNCAN
Secretary-Treasurer DOT MOSELEY

The Froettes have done a great deal to foster patriotic activities on the campus. They worked in the War Stamp booth for the War Fund, had dances for the service men, urged members to give blood to the Red Cross, knitted, and various other things.

Mercedes Pearson was presented with a T. C. U. pin from

the Leti Club as the best Froette of the year. She carried out the ideals of the club which are to be a good citizen, co-operative, a model freshman, and a good sport above all.

The actual purpose of the organization is to bring about a closer relationship among the new girls in the hall and is sponsored by Miss Lola Lallar.

HOME ECONOMICS

★ ★ ★

All majors and minors in the home economics department are eligible for membership in the organization for future homemakers, the Home Economics Club.

This organization, now in its eighth year on the T. C. U. campus, has a multiple purpose. Primarily it stresses the development of personality, leadership, self-reliance, initiative and poise. But besides these goals the club strives

to foster high ideals of an appreciation for home life.

This club helped the Frog War Fund by working in the War Stamp booth. They had several socials, a hair stylist came to the Foster parlor and lectured to the girls of the club and their guests. Miss Bonne Enlow is the club sponsor and Betty Lou Cobb is the club president.

Les Grenouilles is French for "The Frogs." This organization, in its fourth year on the campus, includes in its membership all those who are now studying French and those who have studied it previously but are still interested in the language.

This year the club has carried on the same form of activities, by having regular meetings every month. There have been few socials because of transportation difficulties,

but they tried to make each meeting do double duty by keeping members informed of current French affairs and characteristics of French culture and by having entertainment of French records and songs.

The members stress in their purpose the practical use of the French language. At meetings this is done with French plays, games, songs and conversation in that language.

OFFICERS

President MARY LOU SLAY
Vice-President JOAN GARDNER
Secretary-Treasurer LAURA KIRK

The Leti Club, sister organization of the Frogettes, is composed of sophomore girls living in Foster Hall.

Its purpose, which is similar to that of the freshman girls organization, is to foster better and closer relationship among girls living in the dormitory and more specifically to try to make the new girls feel more "at home."

Initiations were given for the new freshmen in September and again in November. In October, Leti held open house for the Navy V-12 men in Foster Hall. In November they elected the "Best Frogette" of the year and gave her a T. C. U. pin.

During the war loan drive, the girls in the club sold stamps and bonds in the Bond Booth and set a sales record for the winter trimester.

In November, they gave a party, with the assistance of the Frogettes, for the new girls who had just entered school that month. They gave a coffee for the ex-students during homecoming.

Just before Thanksgiving the members had a candlelight ceremony in which they "de-capped" their "little sisters."

Miss Lorraine Sherley is faculty sponsor.

MELIORIST

★ ★ ★

OFFICERS

President NINA ELLIOT

The Meliorist Club, in its tenth year of organization, aims at the improvement of all aspects of life and at the realization of values. "Meliorist" is derived from the Latin word meaning "better."

The club is included in the student congregation connected with the University Christian Church and acts as a social sponsor for it. Members meet every Sunday evening in the assembly room of the University Christian Church for a lecture, dramatic reading, discussion, a musical program,

or whatever entertaining program has been arranged.

Among its activities this year are the serenading at Christmas, production of a radio variety show, impromptu plays and stunts, and sponsoring E. Stanley Jones at Evensong and Meliorist. The high points of the year's programs were a book review by Dr. Paul Dinkins, Appreciation of Jazz, David Smiley on India, and the Rev. Granville Walker on the Interpretation of the Bible.

MIXED CHORUS

★ ★ ★

The Mixed Chorus whose purpose is to "furnish music to please everybody," functioned this year as usual—with a slight reduction in the number of male members.

They helped in the annual Music Festival, had their annual home concert (trips are a thing of the pre-war world), and presented a Gilbert and Sullivan operetta, "Iolanthe."

Many, many compliments are paid to "Uncle Billy," Prof. W. J. Marsh, for his brilliant direction of this choral group. Many of the voices are untrained. Featured soloists during the year have been Pat Hogan, Bob Matheny, Dorothy Forrester, Max Helen Pickens, Margie Mae Luxa, and Mona Moore. Betty Waldrop is the piano accompanist.

Meetings were planned so that each one was devoted to one of the romance language countries. Meetings included short talks on authors, the arts, customs, and all phases of culture of a particular country. Research papers were read by all senior members.

Clyde Foltz, Zeke Chronister and Ed Cornelius were the presidents of the Student Body from last July until this one and did admirably considering all the difficulties they have worked under.

The council has carried out its plans for the Frog War

Fund, created a new service flag, sponsored other activities for patriotism, sponsored the Red Cross Honor Roll, organized Religious Emphasis Week, and did a good job in general of being campus leaders.

SYMPHONY ORCHESTRA

★ ★ ★

Dr. T. Smith McCorkle is the conductor of the University Symphony Orchestra. As usual this division of the Fine Arts Department contributed a great deal culturally to the campus life and the city in general.

The annual music festival was presented during the winter semester in co-ordination with the Mixed Chorus. The

composer whose work was played this year was Haydn. There were also general public concerts in which many student soloists were featured. Guest artists played with the orchestra from time to time.

War-time conditions have changed the quantity but not the quality of this symphonic organization.

Prof. J. Willard Ridings is the faculty sponsor of this school paper which has been established since 1902. The paper's purpose is to report, editorially, and train students in a practical way for later newspaper activities.

The paper has its "In the Service" column which is one of its most popular features. And among its subscribers are several members of the armed service—including first semester editor Ensign Billie Jean Boney and sports editor Midshipman Richard Moore. ★ ★ ★

The Timothy Club is composed of undergraduate ministerial students on the campus. Their purpose is the betterment of pulpit speech and manners and more practice toward their future achievements in their profession.

Each member gives practice sermons before the entire group at the meetings which are held every week. The

members fill out a paper of criticism, both good and bad, on the sermon as given by the student.

An hour of credit is given for each three years of attendance.

The club is a branch of the Brite College of the Bible. Jimmy Fairbrook is president.

WOMEN'S SPORT ASSOCIATION

★ ★ ★

The W. S. A. had a dual purpose this school year. It served its usual purpose as a club for girls merely interested in sports for leisure and it also served as an agent for credit in Physical Education. The membership was particularly large this year and the club offered many sports. The sports, under direction of student managers, were tennis, archery, hiking, fencing, bowling, swimming, ping-pong, badminton,

volley ball, roller skating, ice skating and horseback riding.

Mrs. Murphy is the sponsor of the club, whose purpose is "a sport for every girl and every girl in a sport, with a good time for everybody."

Some of the good times were had at the annual Lake Worth party and a dance for service men.

OFFICERS

Presidents BEN WHITE, JUNE DAMERON

The "Y" changed its name this year from the Student Christian Association, functioning through four discussion groups, is the largest student organization on the campus. Activities of the groups and the whole club are numerous.

During the summer, out-of-door meetings were held, combining socials with discussions. In September, the club sponsored the annual Freshman Prom, as it does each year.

In the spring, it undertook the World Student Service

Fund Drive, during which they raised \$350. In December, they sponsored the collection of baskets of food for needy families.

In November, they held an all school dance and in May a vice-versa dance. In June they had the annual picnic.

Group discussions centered around post-war problems and the inter-racial question. Many members attended inter-racial conferences during the year.

The CATTLE EMPIRE

Where All the People Speak the Same Language

West Texas always will be known as the "Cattle Empire," no matter what records are made in this area by agriculture or by industry.

The pioneering work by the cowman paved the way and laid the foundation for the agricultural, business and industrial development in West Texas.

Today, no section of the United States has such a wealth of resources and a forward-looking citizenship on which to base future development.

The Texas Electric Service Company's power system and its 1,000 employees are a part of West Texas.

Power lines of this company follow some of the old West Texas cattle trails and serve modern cities and towns in West Texas that have long been identified with the Cattle Empire.

The people of these West Texas cities and towns all speak the same language and have the same interest in cattle, agriculture and industry.

One Aim, One Purpose:...

Throughout the years the business interests of Fort Worth have been vitally interested in and closely associated with Texas Christian University.

Today the business interests and the University have a common interest—that of winning the war.

While the city's war factories hum out an answer to the Axis challenge, TCU plays its part by sending its young men to the battle fields and training other students for a more useful place in the nation at war.

Fort Worth is justly proud of TCU, a worthy institution in war as in peace.

Have a Coca-Cola = Let's be friendly

...a way to win a welcome wherever you go

Where you find democracy, you find the feeling of friendliness, of give-and-take—the spirit of neighborliness. It's made up of little things that mark a way of life: sports, fair play, movies, comics and swing music. A simple phrase like *Have a "Coke"* turns strangers into friends, the same in both hemispheres. Around the globe, Coca-Cola stands for *the pause that refreshes*, —has become the high-sign of the good-hearted.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
